Applicability	Service	Reporting period	Indicator	Value
All	ClassDojo	2025-01-01 to 2025-12-31	Summary of the content moderation engaged in at the providers' own initiative	In addition to acting on reports submitted by users, ClassDojo proactively moderates content against CSAM by partnering with Safer.io, a specialized third-party content moderation service. This service helps ClassDojo identify known CSAM by flagging both exact copies and altered versions of previously verified illegal material, based on comparisons against a large, trusted database. Any content flagged through this process is always reviewed by ClassDojo before any content moderation actions are taken. ClassDojo does not rely solely on automated tools to remove content. ClassDojo determines how flagged material is escalated and assessed, ensuring meaningful human oversight.
All	ClassDojo	2025-01-01 to 2025-12-31	Meaningful and comprehensible information regarding content moderation engaged in at the providers' own initiative	ClassDojo uses automated content moderation via a third party, Safer.io, to proactively scan for CSAM imagery only. Each automated flag is manually reviewed before any action taken. We have only received two flags of illegal content from Safer.io, which were both false positives.
All	ClassDojo	2025-01-01 to 2025-12-31	Qualitative description of the automated means	Safer.io scans against known CSAM in a database aggregating more than 131 million verified CSAM hashes. It finds exact matches with cryptographic hashes with their perceptual hashing technology.
All	ClassDojo	2025-01-01 to 2025-12-31	Qualitative description of indicators of accuracy and possible rate of error of automated means	ClassDojo has conducted comprehensive due diligence against Safer.io to ensure its flags are accurate and all flagged content is manually reviewed. ClassDojo has not taken down any content flagged from automated scanning as its manual review of the two reports from Safer.io revealed these were false positives.
All	ClassDojo	2025-01-01 to 2025-12-31	Specification of the precise purposes to apply automated means	As most of our users are children, our automated content moderation tools are focused on tackling CSAM.
All	ClassDojo	2025-01-01 to 2025-12-31	Safeguards applied to the use of automated means	Each automated flag is manually reviewed before action is taken
